Miss Sponsler,  
 To one of the best Home Room  
 teachers anyone could have.  
 Leon Sickerka

Jason Kotecki

To a most kind teacher that I did the privilege of meeting this year

great me with your painted stick,  
 and told me to stop listening to  
 music. But everybody that I  
 know must be a good teacher  
 I'll never forget your class and I  
 hope you don't forget me.

Love is back  
 Love is back

P.S. Adios, if  
 gracias for  
 putting up  
 with me & being  
 so patient the  
 whole year.

Miss Sponsler,  
 To one of my favorite  
 teachers! I always  
 looked forward to the  
 period, because I always  
 have so much fun, and  
 Spanish is sort of easy for  
 me, because you speak  
 good teacher. Maybe I'll  
 get you next year.  
 Always  
 Susan Thutmann

Miss Sponsler,  
I hope I become  
as well a speaker of  
Spanish as you are.  
Don't become too rough  
with your students

Rosemary  
Mindoch

Miss Sponsler,  
To the best person  
in my Spanish Class  
even though you gave  
so much homework  
and you were stabbing  
people and always tell-  
ing them to "Shut-up",  
Pablo)

Alan  
Rodd

Mary Lou,  
To a real cool teacher  
I have this year. Your  
dedication to your work  
is only equalled by my  
laziness. Remember—  
Money, poverty, success  
and failure can be  
tolerated—regret is  
unbearable.

Dick

Miss Sponsler  
I would like to wish  
the most wonderful,  
understanding, helpful, teacher  
I know; and I suppose the  
best of all ever know; the best  
everything. Please keep up  
the outstanding grade  
Yours the BEST

Miss Sponsler  
To a person who

teacher. But better

kids. Best of Wishes  
Gary  
Schweickert

To the most reasonable teacher  
I had the pleasure of meeting  
this year. For my sake I hope  
I have you for second year.  
Spanish  
Dave Mrowicki

Miss Sponsler  
 you are just about the hardest  
 teacher I ever had. not really  
 though you are pretty easy even  
 though you pick on me a  
 lot. I know you really  
 wanted what is best for me and  
 the class. It was really a pleasure  
 to come to your class. I am sure  
 you will be a great success at L.P. or  
 any place in the world.  
 "Love Always"

Miss Sponsler, the bestest  
 you are by far the bestest  
 teacher I've had since I came  
 to L.P. You give a guy a chance  
 no matter what kind of a person  
 his is. Loads of kisses  
 Tom Ziel

Miss Sponsler,  
 I spanked the best

 Laura  
 Guenger

Miss Sponsler,

## Dedication

The staff of the 1966 F.L. ESS  
 PE respectfully dedicates this  
 volume to Mr. Walter B. Tyler,  
 assistant superintendent and ath-  
 letic director, who is retiring at  
 the end of this school year after  
 having been on the faculty since  
 1928.

Mr. Tyler, as a teacher, as a  
 coach and as an administrator  
 has devoted his educational ca-  
 reer to La Salle-Peru Township  
 High School and La Salle-Peru-  
 Oglesby Junior College.

We make this dedication with the  
 greatest respect and admiration  
 for a man whose work added to  
 the outstanding reputation of our  
 school.

Miss Sponder  
 To the nicest Spanish  
 teacher I had the plea-  
 sure of getting to know  
 this year. It was my  
 luck I got you for a  
 teacher otherwise I  
 probably would have  
 flunked. Muchas  
 Gracias.

Miss Sponsler,  
 To the nicest

 I'll always remember  
 the fun in this class.  
 I'm sure you won't forget  
 it either.

Miss Sponsler,  
 To a truly great  
 teacher and a wonderful  
 woman. Thank you very  
 much for putting up  
 with me this past year.  
 I'll always remember our  
 little discussions after school,  
 I know they helped me and will  
 help me all through life.

## SENIORS

The teacher that quickly  
 gained from me that little  
 of the teacher who influenced  
 me most. It was wonderful  
 to study with a teacher  
 who had not only an interest  
 in the language, but a  
 love for the people, a love  
 I think I must have  
 absorbed. It's lucky that  
 there are people in the  
 world that still care  
 about other people in  
 general, not just a few.  
 I know you will always  
 retain those qualities  
 that make you easy to  
 like. May you have a  
 happy life.

Love,  
 Paula

Miss Sponsler,  
To my nicest  
teachers. I think I  
have learned quite a bit  
this year, and I always  
enjoy your class.  
Luck in your future years  
of teaching. Karen Chambers

Miss Sponsler,  
To a very sweet teacher who  
doesn't teach me, but whom I  
met through Spanish Club. I'm  
sorry about "not dancing", but  
thanks for the encouragement.  
Best wishes in your future  
years at L-P and always.  
May God Bless you!  
Ruth Jordan

 school you rate high on my list,  
 as well as on everyone else. I  
 hope your teaching years are  
 more successful.

Best Wishes

# A Tour of McCormack Memorial Library

Cathy Flaherty and Don Plochocki, Seniors and veteran assistants, take pleasure in introducing McCormack Memorial Library to Miss Judith Farley and Mr. Robert Schott, new members of the L-P faculty.

The tour begins at the main desk, located just inside the entrance to the library. Don explains that library admission slips are time stamped for an accurate check on attendance.

At the card catalog, Cathy advises Miss Farley and Mr. Schott that the library holdings, some 28,000 titles, are carefully and completely cataloged.

Moving toward the periodical indexes, Cathy and Don vie in locating just the right magazine article for Miss Farley. Mr. Schott, meanwhile, makes a mental note to remind his students in speech that Reader's Guide, Humanities and Social Science Index, Biography Index, and New York Times Index provide access to a wealth of periodical information in the 214 current periodicals and the extensive periodical files in the library.

Miss Farley and Mr. Schott are impressed by the strong reference department. Pausing before the 200's, they examine the various encyclopedias of religion and ethics.

L-P students read for pleasure as well as for class assignments. The library assistants assure Miss Farley and Mr. Schott that the fiction collections will meet the needs and interests of L-P students—and members of the faculty, too.

With pride, Cathy and Don call attention to the rare art treasures surrounding L-P students. Here the group admires an original oil, *The Easter Sacrifice*, by Francisco Solimena, 1657-1747.

## with Two Library Assistants

... And the primitive Madonna with Saints, and the medieval antiphony.

Second only to having the New York Times on sticks is having it on microfilm, says Don. He informs Miss Farley and Mr. Schott that library holdings of the New York Times on microfilm date from January 1, 1958.

Under the watchful eye of Cathy and Don, (and L-P's own "old man of the sea"), Miss Farley and Mr. Schott select pamphlets from the vertical file. Hundreds of clippings, pamphlets, and government documents provide subject matter for brief reports or supplemental findings in books and periodicals.

This globe, Cathy relates, was presented to the library by the Class of 1944. Don adds that several L-P classes meeting in reunion have made valuable additions to the library.

In the area devoted to current periodicals, Cathy and Don call attention to the daily newspapers on sticks. Ten different newspapers keep L-P students well-briefed on current events.

At the desk in the stacks, Cathy and Don introduce Miss Farley and Mr. Schott to Mrs. William Van de Wyngaerde, library clerk, who explains that faculty members have access to the stacks, but students must present properly completed call slips to secure books shelved in that area. Don and Cathy tell Miss Farley and Mr. Schott that Mrs. Van de Wyngaerde and Mrs. Robert Szczepaniak, another library clerk, share responsibilities at the south desk.

Last stop—the processing department, where, explain Cathy and Don, library acquisitions are prepared for the shelves. Miss Farley and Mr. Schott select from a collection of new book titles they will want to read in the near future. Cathy and Don assure these faculty members that any one of the thirteen library assistants will be happy to serve them in McCormack Memorial Library.

## *In Memoriam*

NORMAN F. PETERSON (1907-1966)

The student body, the faculty and the community at large were stunned by the sudden death March 3, 1966 of Mr. Norman F. Peterson, chairman of the Industrial Education Department. He suffered a fatal heart attack in the corridor of the Industrial Education Building. Mr. Peterson had been a member of the faculty for 26 years. He was director for many years of the junior college night classes. The school and the state lost an outstanding leader in industrial education.

Michael Ryan (1948-1966)

Michael Patrick Ryan, a Junior, was fatally injured in an automobile accident near De Kalb on February 28, 1966. He was a son of Mr. and Mrs. William Ryan, of La Salle.

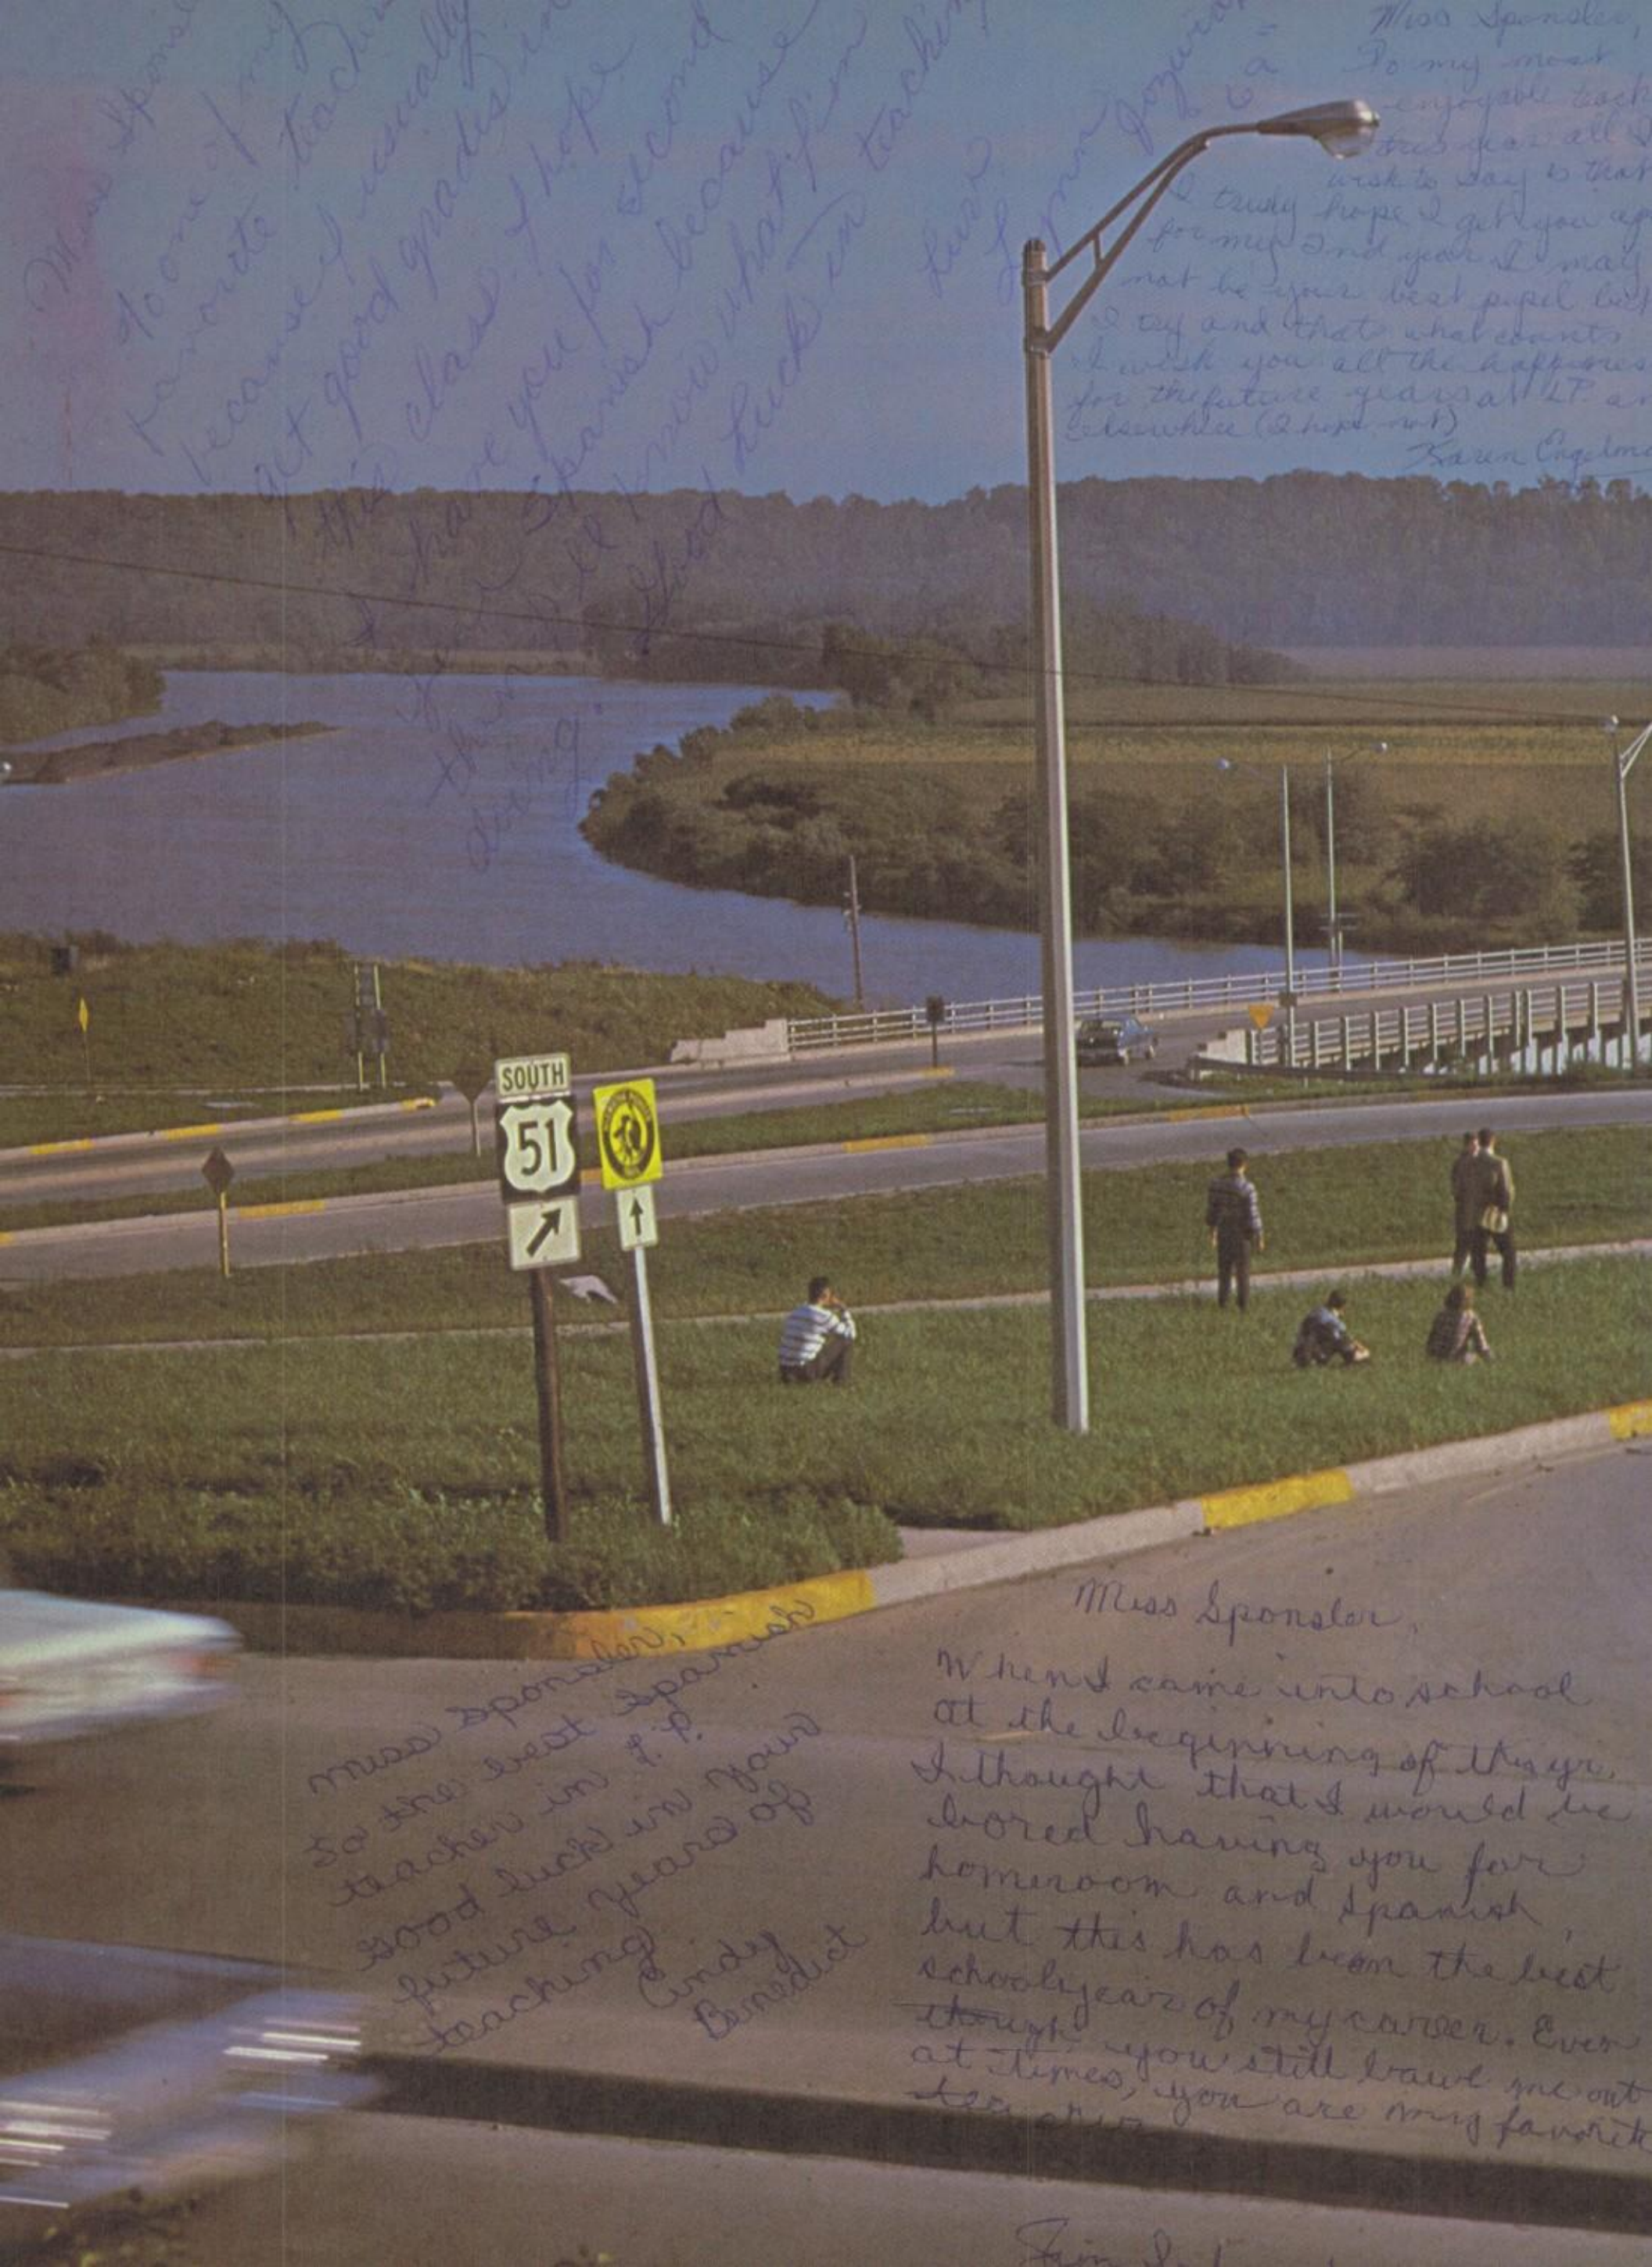

*Miss Sponsler,  
To the best Spanish  
teacher in the world.  
Spanish has become  
my favorite subject  
because of your won-  
derful teaching. May  
success and fortune fol-  
low you wherever you  
go.*

*Sincerely,  
Nancy Marie  
(Maria Spor)*

Miss Sponsler,  
do one of my  
favorite teachers  
because I usually  
get good grades in  
this class. I hope  
I have you for second  
year Spanish because  
I know what I'm  
doing. Good luck in teaching!

Miss Sponsler,  
To my most  
enjoyable teacher  
this year all I  
wish to say is that  
I truly hope I get you again  
for my 2nd year. I may  
not be your best pupil but  
I say and that's what counts.  
I wish you all the happiness  
for the future years at L.P. &  
elsewhere (I hope not)  
Karen Englund

Miss Sponsler,  
So the best Spanish  
teacher in T.P.  
Good luck in your  
future years of  
teaching.  
Cindy  
Benedict

Miss Sponsler,  
When I came into school  
at the beginning of this yr.  
I thought that I would be  
bored having you for  
homeroom and Spanish,  
but this has been the best  
school year of my career. Even  
though you still bawl me out  
at times, you are my favorite  
teacher.

Jim D. T.
